

## FOUR WEEKS SUMMER SCHOOL

The Board of Education at its meeting Monday engaged Mrs. Ida Wilhelm to teach four weeks summer school for the benefit of the grade or Junior High school pupils who failed to be promoted. This school is free to residents of Monett School District and begins May 29, 1922. It will be held in the High School Building. Parents of children desiring to take advantage of this school should communicate with Mrs. Wilhelm as soon as possible.

## WHOOPIING COUGH

This is a very dangerous disease, particularly to children under five years of age, but when no paragonic, codine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.

## AUTO LAUNDRY

We wash polish and grease automobiles. We call and get cars and return them free of charge.

OBITUARY OF THE  
LATE W. J. LOUGH

Wm. John Lough was born at Fitzroy Harbour, Canada, February 13, 1856 and departed this life at his old farm near Morrisville, Mo., May 8, 1922, age 66 years, 2 months and 26 days.

He was the eldest of eight children. In 1870 he left Canada with his parents and came to Pleasanton, Kansas. In 1872 the family moved to Chetopa, Kansas where he grew to manhood. On June 25, 1881, he was married to Alice M. Kinser and to this union five children were born—Lulu, John Hazel Howard and Margaret. Four of these children, together with his beloved companion, remain to mourn his loss. John, the eldest son, preceded his father in death in 1909.

Mr. Lough was a miller by trade, having engaged in the milling business in Chetopa, Kansas, for a number of years and at Altamont, Kansas for twenty years.

He was keenly interested in everything that would make his community a better place in which to live. It was through his efforts that the Labette county high school was located in Altamont. He represented his district in the state legislature in 1895. He was an active member of the Masonic lodge, being a member of the Blue Lodge in Marionville, Mo., the Chapter and Commandery at Oswego, Kansas and of the Shrine at Springfield, Mo.

He was converted and joined the Methodist Episcopal church in 1882 and has always continued a loyal and faithful member of the same.

During the last eighteen years Mr. Lough had resided at Pandy, Morrisville and Marionville, Mo. In each place of his residence he made a host of friends to whom he was always loyal. He was a kind father, loving husband and loyal to his home.

In his business life "honesty" was his motto. A man of firm convictions a big-hearted, true and generous friend, unselfish and self-sacrificing, truly living his life for others. Such was his citizenship on earth.

Besides his wife he leaves to mourn his loss, three daughters, Mrs. Ray Reasor, Mrs. Roy Brown, Mrs. Dennis Hood and one son, Wm. H. Lough, four grandsons, one granddaughter, four sisters and three brothers.

Funeral services were conducted at the Methodist church at Chetopa, Kansas by the Rev. Snyder, pastor of the M. E. church at Marionville.

Mackel, 10 cents at Matthew's Grocery.

## MEN'S BIBLE CLASS ENTERTAIN

One of the most delightful affairs of the season was held at the First M. E. church Wednesday evening when the Men's Bible Class entertained the members their friends and families with a banquet.

On reaching the church the guests were invited to the auditorium where the following program was rendered: Invocation—Dr. J. D. Shaddrick. Piano Solo—Miss Frances Folger. Vocal Solo—Miss Lillian Allsup. Violin Solo—Peyton Gulick accompanied by Mrs. Shipley.

Cook's March—The Men's Bible Class.

After the program a line of march was formed to the banquet hall where a bountiful repast was served to about three hundred guests. The menu consisting of roast chicken, dressing, gravy, meat loaf, salads, peas, potatoes, hot biscuit, coffee, ice cream and wafers was prepared and served by Ed McMillan and his able assistants.

The manner in which the biscuits and other eatables disappeared was proof enough of their being enjoyed by all present.

After the supper was over and the guests could consume no more Hon. F. P. Sizer acting as toastmaster called upon the following for toasts: Chas. Ball, W. H. Floreth, G. M. Woods, M. E. Hoover, O. Barker, M. J. Hale and Dr. J. D. Shaddrick, all of whom responded with many jests and much merriment was caused by their speeches. Then Mr. Sizer introduced Judge Allyn Smith, teacher of the Men's Bible Class who made a wonderful talk on the Missionary work that Christ left for all to do.

Then he spoke of the aims of the class inviting all men who are not members of the class or of some other Sunday school to join them. Dr. Shaddrick then dismissed them and all went to their homes feeling that the men had made a wonderful success of the affair. The ladies of the church enjoyed the affair so much as it was wonderful to us not to have the worry of preparing and serving the meal of the washing the dishes and cleaning up afterwards and to see the men working dexter and to hear them sing "Love Lifted Me" was fine.

We are hoping that this is not the last of these delightful affairs. Ladies of the M. E. Church.

For first-class dental work go to Dr. J. P. Woods, upstairs in State Bank building.

Given under my hand and official seal this May 1, 1922.

CLERK OF THE COUNTY COURT OF BARRY COUNTY.

## POWDER RIVER

Auspices American Legion

AT RIALTO, MONDAY MAY 29th

## PRESS COMMENTS

Los Angeles Examiner Says—It's remarkable the way these Signal Corps camera men risk their lives to secure these wonderful pictures; the ex-service men who had charge of the show are to be complimented on the way that they handled the huge crowds that attended every performance.

San Francisco Cal., says—"Powder River" has indeed lived up to the advance press notices; the picture is an education, something that every American should see, as it shows not only our boys going to France, but every branch of our service is clearly shown in actual action against the Germans. Many San Francisco men are being recognized in the picture—doing their "bit."

Portland Oregonian says—The Helig Theatre is being packed to capacity at every performance of this great film. Arrangements have been made by the Veterans of Foreign Wars to hold "Powder River" over for three more days, so as to allow the many hundreds of people who have been turned away to see it.

Seattle Times Says—"Powder River" is thrilling, it's historical, it's an education.

Butte Miner Says—We have all heard and read of the gallant deeds of our Montana boys in France, and now in "Powder River" we all have an opportunity of actually seeing them.

Billings Gazette Says—The Babcock Theatre was filled to overflowing last night at the first performance of "Powder River." It is so different from the average big film, that it is remarkable. The American Legion is indeed to be complimented on bringing this picture to our city.

Great Falls Tribune Says—Many of our local boys are clearly shown in France, in the remarkable U. S. Government official motion pictures "Powder River," now showing for the American Legion at the Grand Theatre. To see "Powder River" up in our word—it's remarkable.

Denver Post Says—Over 1,500 people were turned away from the Auditorium last night when the Veterans of Foreign Wars showed "Powder River," the official U. S. Government motion pictures. Much enthusiasm and excitement prevailed throughout the entire performance. Arrangements have been made for extra performances, and a return engagement of this thrilling picture.

Better Cooking—Electrically  
Hotpoint Hughes  
Electric Ranges

## THE KITCHEN OF HER DREAMS

Perfect results—always and easily obtained! These are the final tests of a kitchen range, and they have established the Hotpoint Hughes Electric Range in a separate class above all other cooking appliances.

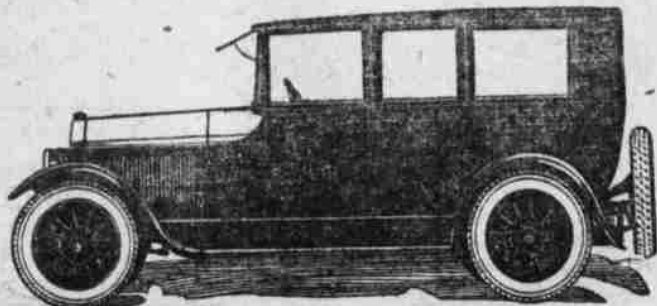

You turn a switch—that is all—and in a few seconds there is a disc of concentrated heat, at the intensity you have chosen, throwing all its power up into the frying pan. The perfect distribution of the heat is shown in the even cooking of the food, quick or slow as you please, in the absence of flying fat and in the freedom from burned spots.

You turn another switch and the heating water in kettle or stew-pan generates steam which takes over the work of cooking the vegetables or meat. You do not need to flood the viands with water; the steam is retained and prevents the contents from boiling dry. At the same time, it retains the essential flavor of the dish which the HOTPOINT HUGHES is preparing for you.

After the first application of heat, you shut off a large part of the current and leave the roast to be finished by the heat stored within the thick retaining walls of the oven. The thermometer shows the oven temperature—exactly. The oven retains all the moisture and makes basting unnecessary.

The HOTPOINT HUGHES has introduced the modern note of efficiency into the kitchen, health and comfort to the home.

W. H. Floreth Hardware Co.

Five Passenger Sedan \$1365

## FEATURES

Every part designed for simplicity and accessibility.

Each unit mounted independently and separately removable; to minimize maintenance cost.

All working parts relieved from strain by Durant Tubular Backbone (pat. app. for), which permanently prevents all racking and squeaking of body.

New valve-in-head motor designed by Durant engineers. Quiet in operation; extremely powerful and economical. Head detachable; no piping or attachments in underpan; pistons remov-

able through bottom of cylinders without disturbing head.

Single plate disc clutch, extremely easy to operate, simple to adjust, and removable through floor board without disturbing engine or transmission.

Specially designed floating rear axle, with chromenickel ring gear and pinion, adjustable from outside of hub. Timken bearings.

Alemite lubrication; spark, throttle and horn controls on top of steering wheel; genuine leather upholstery over curved hair; straight side cord tires.
